

**REMARKS**

Applicant expresses appreciation to the Examiner for consideration of the subject patent application. This communication is in response to the Restriction Requirement mailed on April 26, 2010. Specifically, the following restriction requirement was issued:

- I. Claims 1-17, drawn to a method of producing a sheet of coated substrate;
- II. Claims 18-20, drawn to a coated substrate and printed sheet; and
- III. Claims 21-24, drawn to a printing method.

In response, the Applicants elect to prosecute Invention I, claims 1-17, with traverse. As the Group II and Group III claims depend from the independent claim of Group I, these claims should also be joined with Group I for prosecution. That being said, Applicant reserves the right to request rejoinder at a time appropriate in the future.

**CONCLUSION**

In light of the above, Applicant respectfully submits that claims 1-17 are in condition for substantive examination. If any impediment to the allowance of these claims remains after entry of this Amendment, the Examiner is encouraged to call the undersigned at (801) 566-6633 so that such matters may be resolved as expeditiously as possible.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 08-2025.

DATED this 25<sup>th</sup> day of May, 2010.

Respectfully submitted,

/garypoakeson/
